Costa Serena

In the company of the gods.

Costa Serena is the ship of the gods.
The characters from Greek mythology are brought to life and follow you on your epic journey. In the atrium, the gods of the Pantheon look down on you from on high in "L'Olimpo Spettacoloso" by Alberto Nodolini. From the Caracalla Baths to the Samsara Spa: 6,000 m2 devoted to wellbeing, with baths, thalassotherapy pool, sauna, Turkish bath, solarium and treatments to keep you looking heavenly. And while you sail to new shores, the aft staircase with works by Leonida de Filippi dedicated to the voyages of Ulysses, reminds you of man's ancient yearning to explore. But that's not all: Costa Serena offers new arenas for challenges fit for a gladiator, like the Grand Prix simulator and the multipurpose sports pitch, and a glittering casino. Will the Fates be on your side as you place your bet?
