Costa Pacifica

Music on the water.

What will make your holiday on Costa Pacifica unforgettable? The soundtrack.
On the outside decks you'll hear the waves breaking against the ship, the backwash, the seagulls' calls, the flags flapping in the wind. In the theatre you can hear the pure hi-fi sound of a real auditorium and at the recording studio you can record the performance of a lifetime.
In the restaurants and lounges there are 29 pieces that the maestro Mauro Pagani himself has arranged for your stay on board. Costa Pacifica is the ship of music. Hear it, see it, live it.
This is why composers, operas and instruments decorate every corner and the sea will sing you a serenade every time you go out onto your balcony.
