

# Costa Voyager

## Welcome, friends.

Costa Voyager is the fleet's little big ship. This modern yacht on a human scale will make you feel at home as soon as you step on board, with all the convenience of Costa's comforts and a different panorama every day. A bright and welcoming hall, with inviting armchairs that will catch your eye and beckon you to take a welcome break after a long day exploring. Thanks to its exceptional cruising speed stopovers are longer and even more fun. And this means you have more time to stop for a cocktail on the Avra Café lido, with its white awning and wooden decks. Just take it easy and be romantic. Come aft and you can soak in one of the panoramic Jacuzzis on the Venus lido. At sundown the ship's wake is even more spectacular.
